

FABRICATION REQUIREMENTS

Under Armour Performance Mouthwear™ is fabricated by Bite Tech Laboratories. Please follow the guidelines below to ensure the highest quality possible for impressions and casts. Please also use only the provided shipping boxes to send materials to Bite Tech Laboratories.

PLEASE PROVIDE THE FOLLOWING:

- ✓ Upper and lower PVS impressions or die-stone casts. Uppers should record the palate, teeth and vestibule; lowers should record labial, buccal and lingual vestibule as well as the teeth. Casts should be poured in die stone with a moderate base.

- ✓ Centric occlusion bite registration.
- ✓ Please send a separate cast or PVS impression for each appliance ordered; if you want two lower appliances, send two lower casts or impressions.
- ✓ Indicate what products are being requested, adding any special requests or instructions.

Note: All appliances are fabricated by highly trained Bite Tech laboratory technicians and all cases are reviewed by Bite Tech dentists.
